From the Principal, Mr Jonathan Attwell

Dear Families,

Thankyou to everyone who has made me feel so welcome during my short time here at Dalwallinu DHS. I have met so many amazing students, dedicated staff and supportive families. I am incredibly privileged to be leading such an amazing school.

This term we have several exciting things on the horizon as we come towards the end of 2023, such as:

- Canberra Camp - Secondary
- Work Experience – Y10s
- Y10 Graduation
- Presentation Night

Teachers are working hard on the end of semester reports at the moment and in the office, we are focussing on 2024 planning. We are currently advertising for teachers, education assistants, cleaners and an AEIO. If you know anyone who is interested, please encourage them to contact the office.

Thank you to all the families that completed our school survey. It will remain open for another week to give as many people an opportunity as possible to have their say. Results of the survey will be in our 2023 Annual Report. We also shared some information this week about nominating for our School Council. Any parents that are keen to get involved, please complete the nomination form and return it to the office.

2023 Kindy Readiness Program

Our new Kindergarten students for 2024 were able to meet their classmates and experience their surroundings for a couple of hours every Monday over the past three weeks. Mrs Sarah Dawson with the assistance of Mrs Nerida Hyde ran a successful program that introduces the students to the routines of being at school. Thank you to all parents who showed their support and embraced this program. We look forward to providing education for your child in 2024.

Grandparents/Special Visitor Day

We would like to say a massive thank you all grandparents, special people and guests that attended Grandparents Day. The students enjoyed spending the morning with their special person. It was great to see so many visitors showing their support. 2023 was the biggest turn out we have ever had, so thank you for taking time out of your day. It was appreciated by all staff and students.
